### An Open Letter for Donations to Help HRH and HHOOT

Thank you for your interest in becoming a part of the HRH and HHOOT organization of Helpers that are assisting some of the less fortunate members of our community. HRH's Support Coaches and HHOOT Team Members (a Team of Street Outreach and Outreach Ministries) assist individuals and families find the resources that they will need to help themselves get back on their feet. **We offer clothing, hot meals, snacks & water, employment prospects, housing prospects, spiritual help, and prayer.** We can also direct them to where they can get help for their drug, alcohol and/or other addictions. We will direct them to the proper source where they can get physical, medical, mental health treatment, and much more.

We have purchased two warehouses at 916 and 918 E. Michigan St. and are in the process of converting and remodeling them into a Conference and Training Center for the Homeless and ReEntry Industry as well as a diner to serve hot meals to our homeless friends which we call HHOOT's Diner. HRH has many needs and for us to be able to continue to help our clients in Indianapolis we are asking for your help. We would like for you to consider making a donation of some type; either in goods, services, or a cash donation (through our web site [www.IndyHelpers.com](http://www.IndyHelpers.com)). Your donation will be used for food, water, hygiene items, office supplies and building materials for our new facility. We will also accept just about any type of donation and will put them to good use to help our homeless friends and their families. When you donate to HRH you are contributing to a public charity. Since August of 2008 HRH has been an Indiana Non-Profit Corporation with our own 501(c)(3) tax exempt status. A copy is available upon request.

**Please know that we cannot do what we do without the support of people like yourself and/or your organization.** Donations come in many forms: volunteering your time, or even your employees time or services such as electrical, plumbing, construction services or materials that you may offer to help us meet our needs in restoring our community center. Your organization may even want to help us with our hot meal program (HHOOT's Diner) on any given day. We have many businesses, churches and organizations that take advantage of this opportunity to provide meals to families and to build a solid relationship with the people of our community. **Please do not miss this opportunity to get your organization involved with HRH or HHOOT, an Indianapolis organization that is making a difference in our community that is helping those in need.**

For additional information on HRH and HHOOT, please visit our web site or just stop in at 916 E. Michigan St. and see what we are doing. Please feel free to contact me at any time with your questions or to find out how you can help HRH and HHOOT.

We look forward to working with you and your organization to better serve our community.

Sincerely,

Don Hawkins
